**CHANGE YOUR MIND 4.0**

**6 countries:** Germany, France, Hungary, Spain, Greece and Cyprus agreed to make discovery boxes with different items and crafts, from our countries to send them and learn each other's country!!!!

---

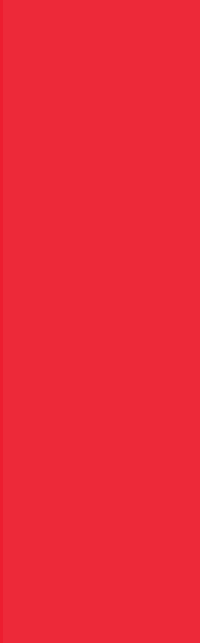

# Germany's parcel arrived with a lot of surprises!!!

Spain's parcel arrived in Cyprus, and we dance with it!

---

France parcel with mysterious investigation through our senses!!!

---

Hungary parcel with a lot of crafts puzzle ideas !!!

# Greece-Chios parcel with mastiha surprises!

# Cyprus preparation of the 5 parcels

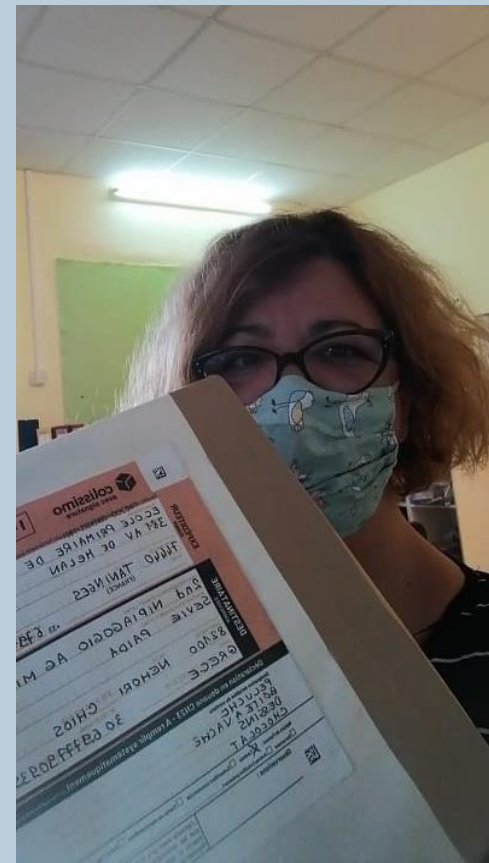

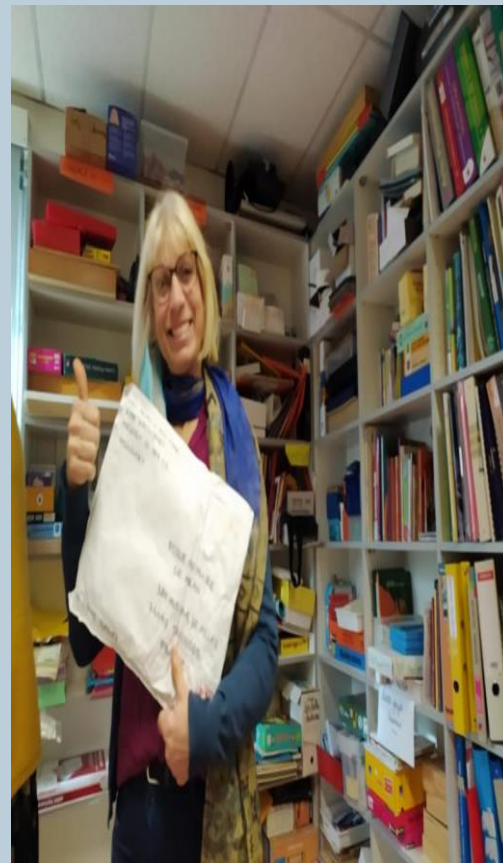

# Cyprus

- The content of our parcels that we sent to our partner's schools
- Handmade puzzle of children's painting
  - Loukoumia-Rose delights
  - A statue of Fertility Goddess
  - Leaflets and a Cd for our country
  - Posters
  - Our flag
  - Dry Trahanas (to taste a Cypriot soup)

# Some pictures with teachers receiving the discovery parcels-boxes!!!

This common activity liked a lot to our children! Every time they were very curious to learn new things and discover what it was inside every parcel!!!

They were enjoying playing with our friend's gifts!

Thank you all for the lovely moments that we shared!
